FACULTY OF APPLIED SCIENCE & ENGINEERING

Spring Volunteer Opportunity

Title: March Break Jr. DEEP Counsellor

Date of Employment: March 13 - March 17, 2017

Hiring Department: Engineering Student Outreach Office, Faculty of Applied Science & Engineering

Position Description:

The Engineering Student Outreach Office (ESOO) manages and administers the core outreach programs offered by the Faculty of Applied Science and Engineering at University of Toronto. We act as the central unit for outreach activities promoting Science, Technology, Engineering and Math (STEM) education to a wide audience.

The Junior Da Vinci Engineering Enrichment Program (Jr. DEEP) is currently seeking counsellors who will support various outreach programs in March 2017 for pre-university youth. These Grade 3 - 8 day programs provide students with a unique experience to engage and participate in innovative and cutting-edge science, technology, engineering and mathematics (STEM) learning beyond the scope of a traditional classroom environment. Counsellors will have the opportunity to work with and inspire the minds of young Canadians through STEM education.

Responsibilities include:

Counsellors will be responsible for helping university students deliver innovative curriculum, workshops, and activities related to STEM education for the Engineering Student Outreach Office.

Counsellors will assist and support various programs within ESOO in engaging and inspiring pre-university youth.

Counsellors will be responsible for assisting in classroom management, event management, and logistics of various programs such as Jr. DEEP and Math Camp.

Minimum Qualifications:

- A current high school student enrolled in a secondary institution.
- Applicants must enjoy working with youth and have interest in science, technology, engineering and math.

Applicants Must Submit:

1. Cover letter
