

**UNIVERSITY OF TORONTO**  
**FACULTY OF APPLIED SCIENCE & ENGINEERING**

Summer Volunteer Opportunity

**Title:** Jr. DEEP Counsellor

**Date of Employment:** Opportunities in July and August

**Hiring Department:** Engineering Student Outreach Office, Faculty of Applied Science & Engineering

**Position Description:**

The Engineering Student Outreach Office (ESOO) manages and administers the core outreach programs offered by the Faculty of Applied Science and Engineering at University of Toronto. We act as the central unit for outreach activities promoting Science, Technology, Engineering and Math (STEM) education to a wide audience.

The Junior Da Vinci Engineering Enrichment Program (Jr. DEEP) is currently seeking counsellors who will support various outreach programs between July and August 2017 for pre-university youth. These Grade 3 - 8 day programs provide students with a unique experience to engage and participate in innovative and cutting-edge science, technology, engineering and mathematics (STEM) learning beyond the scope of a traditional classroom environment. Counsellors will have the opportunity to work with and inspire the minds of young students through STEM education.

**Responsibilities include:**

- Counsellors will be responsible for helping university students deliver innovative curriculum, workshops, and activities related to STEM education for the Engineering Student Outreach Office.
- Counsellors will assist and support various programs within ESOO in engaging and inspiring pre-university youth.
- Counsellors will be responsible for assisting in classroom management, event management, and the logistics of various summer programs such as Jr. DEEP, Girls Jr. DEEP, and Math Camp.

**Minimum Qualifications:**

- Students that are currently enrolled in grade 10 or higher
- Applicants must enjoy working with youth and have interest in science, technology, engineering and math.
