

UNIVERSITY OF TORONTO
FACULTY OF APPLIED SCIENCE & ENGINEERING

Summer Volunteer Opportunity

Title: DEEP Counsellor (Volunteer Position)

Date of Commitment: June 15 – August 15, 2019

Department: Engineering Outreach Office, Faculty of Applied Science & Engineering

Deadline to Apply: May 7th, 2019

The Engineering Outreach Office (EOO) manages and administers the core outreach programs offered by the Faculty of Applied Science & Engineering at the University of Toronto. We act as the central unit for outreach activities promoting Science, Technology, Engineering and Math (STEM) education to a wide audience. For more information about the Engineering Outreach Office, visit:

www.outreach.engineering.utoronto.ca.

The Da Vinci Engineering Enrichment Program (DEEP) is an academically rigorous program offered by the EOO that nurtures highly motivated grade 9 to 12 students from all over the world who excel in math and science. DEEP is the one of the most diverse pre-university programs in North America. DEEP courses are taught by U of T Engineering graduate students and recent alumni and take students beyond the traditional secondary school curriculum.

What Does a Counsellor Do?

- Fostering a sense of community, engagement, inclusivity and acceptance among all DEEP participants, DEEP staff, DEEP instructors and specialists.
- Assisting instructors and specialists in classes; preparing materials and handouts; monitoring and tracking attendance.
- Supporting DEEP students during academic hours, after-class activities, course field trips, and excursions.
- Acting as an ambassador of the Faculty of Applied Science & Engineering and the University of Toronto.
- Engaging with DEEP instructors, specialists and the Engineering Outreach team, DEEP counsellors will have the opportunity to lead activities both in and out of the classroom.
