Summer Volunteer Opportunity

**Title:** Jr. DEEP Counsellor  
**Duration:** Training in late June, volunteering opportunities in July and August  
**Hiring Department:** Engineering Student Outreach Office, Faculty of Applied Science & Engineering  
**Deadline to Apply:** Monday, July 4th, 2022  

**Position Description:**

The Engineering Student Outreach Office (ESOO) manages and administers the core outreach programs offered by the Faculty of Applied Science and Engineering at the University of Toronto. We act as the central unit for outreach activities promoting Science, Technology, Engineering and Math (STEM) education to a wide audience.

The Junior Da Vinci Engineering Enrichment Program (Jr. DEEP) is currently seeking high school counsellors who will be integrated into various programs between July and August 2022 for Grade 3 - 8 youth. Counsellors will be involved in the day-to-day activities to provide students with a unique experience to engage and participate in innovative and cutting-edge STEM education beyond the scope of a traditional classroom environment.

**Duties and Responsibilities include:**

- Liaising with instructors to deliver innovative curriculum, workshops, and activities related to STEM education for the Engineering Student Outreach Office
- Facilitating and supporting students in individual and/or group work
- Assisting in classroom management and communicating with instructors and team leads with regards to incidents such as accidents and bullying to ensure the safety of all camp participants
- Participate in program logistics such as but not limited to pick-up, drop-off and nutritional breaks

**Education and Experience:**

- Counsellors must be currently enrolled in grade 10 or higher
- Applicants with coding knowledge should describe their coding experience in their applications
Qualifications:

● Counsellors should have strong communication, problem-solving and time management skills
● Experience working with young students and diverse students are an asset
● Enjoy working with youth and have interest in science, technology, engineering and math.
● Applicants must be available for week-long shifts throughout July and August
● Applicants must be available for the following training date: Wednesday, July 6, 2022

Applicants Submit:

1. Cover letter
2. Resume

*Ensure all documents are submitted as a PDF titled as: YOURNAME_Coverletter, and YOURNAME_Resume respectively
