LAUNCH | JULY 4-29, 2022

Science & Engineering Summer Camp
Participants will build, launch, dissect and soar their way through an engaging week-long program based on some of our favourite activities, experiments and projects from our 30-year history of STEM outreach on the University of Toronto’s St. George campus — at Sprucecourt Public School this summer!

Hosted at Sprucecourt Public School for Students Grades 3-8

Weekdays 9 AM-4 PM* (* students may register for one week.)
