

**UNIVERSITY OF TORONTO**  
**FACULTY OF APPLIED SCIENCE & ENGINEERING**

**Summer Volunteer Opportunity**

**TITLE:** DEEP Volunteer

**WHERE:** Engineering Student Outreach Office, Faculty of Applied Science & Engineering

**WHEN:** July 8 - August 2, 2024 (minimum one week commitment)

**Deadline to Apply:** June 10, 2024

The Engineering Outreach Office (EOO) manages and administers the core outreach programs offered by the Faculty of Applied Science & Engineering at the University of Toronto. We act as the central unit for outreach activities promoting Science, Technology, Engineering and Math (STEM) education to a wide audience. For more information about the Engineering Outreach Office, visit:

The Da Vinci Engineering Enrichment Program (DEEP) is an academically rigorous program offered by the Engineering Outreach Office (EOO) that nurtures highly motivated grade 9 to 12 students from all over the world who excel in math and science. DEEP is one of the most diverse pre-university programs in North America. DEEP courses are taught by U of T Engineering graduate students and recent alumni and take students beyond the traditional secondary school curriculum.

**Volunteers will gain exposure to:**

- Fostering a sense of community, engagement, inclusivity and acceptance among all DEEP participants, DEEP staff, DEEP instructors and specialists.
- Collaborating with DEEP instructors, specialists and the Engineering Outreach team, both in and out of the classroom.
- Supporting DEEP students during academic hours, after-class activities, course field trips, and excursions.
- Acting as an ambassador of the Faculty of Applied Science & Engineering and the University of Toronto.
